Pe rol se află soluționarea excepției de neconstituționalitate a dispozițiilor art. 63 alin. 5 teza a doua din Legea nr. 92/1992 pentru organizarea judecătorească, republicată, cu modificările și completările ulterioare, excepție ridicată de Albert Ioan Șugaru în Dosarul nr. 24/2002 al Curții Supreme de Justiție.

La apelul nominal lipsesc părțile, față de care procedura de citare este legal îndeplinită.

Magistratul-asistent șef, făcând referatul cauzei, arată că și la acest termen avocatul autorului excepției a depus la dosar o cerere prin care solicită acordarea unui nou termen de judecată pentru motive de sănătate.

Reprezentantul Ministerului Public, având în vedere că dosarul se află la al doilea termen de judecată, se opune acordării unui nou termen de judecată.

Curtea, deliberând, respinge cererea formulată de avocatul autorului excepției și consideră cauza în stare de judecată.

Reprezentantul Ministerului Public, apreciind că textele de lege criticate nu contravin prevederilor constituționale invocate, pune concluzii de respingere a excepției de neconstituționalitate ca neîntemeiată.

CURTEA,

având în vedere actele și lucrările dosarului, constată următoarele:

Prin Încheierea din 9 iunie 2003, pronunțată în Dosarul nr. 24/2002, **Curtea Supremă de Justiție a sesizat Curtea**

Constituțională cu excepția de neconstituționalitate a dispozițiilor art. 63 alin. 5 teza a doua din Legea nr. 92/1992 pentru organizarea judecătorească, republicată, cu modificările și completările ulterioare.

Excepția a fost ridicată de Albert Ioan Șugaru într-o cauză al cărei obiect îl constituie plângerea formulată împotriva refuzului Consiliului Superior al Magistraturii de a propune Președintelui României numirea acestuia în funcția de procuror la Parchetul de pe lângă Judecătoria Roman.

În motivarea excepției de neconstituționalitate autorul acesteia susține, în esență, că prevederile art. 63 alin. 5 teza a doua din Legea nr. 92/1992, republicată, înfrâng dispozițiile constituționale ale art. 16 alin. (1) și ale art. 20 raportat la art. 6 pct. 1 din Convenția pentru apărarea drepturilor omului și a libertăților fundamentale, care consacra dreptul la un proces echitabil. Astfel, consideră că textul legal criticat creează o situație discriminatorie între candidații admiși și cei respinși la examenul de capacitate, în sensul că, dacă pentru cei dintâi legea stabilește „concret și direct” tratamentul juridic, condițiile și măsurile care se iau cu privire la aceștia, în privința candidaților respinși legea nu face nici o precizare despre măsurile sau despre căile de atac pe care aceștia le pot exercita.

Instanța de judecată consideră că susținerile autorului excepției sunt neîntemeiate, dat fiind că cele două categorii de candidați se află în situații juridice diferite, ceea ce justifică tratamentul diferențiat aplicat.

Potrivit prevederilor art. 24 alin. (1) din Legea nr. 47/1992, republicată, încheierea de sesizare a fost comunicată președinților celor două Camere ale Parlamentului și Guvernului, pentru a-și exprima punctele de vedere asupra excepției de neconstituționalitate ridicate, iar în conformitate cu art. 18¹ din Legea nr. 35/1997, cu modificările ulterioare, a fost solicitat punctul de vedere al instituției Avocatul Poporului.

Guvernul apreciază că excepția de neconstituționalitate este neîntemeiată, reținând în acest sens că „cele două categorii de subiecte ale examenului de capacitate — cei admiși la acest examen și cei respinși — se află în situații diferite”, astfel că ele nu pot beneficia de același regim juridic. De asemenea, Guvernul observă că art. 64 alin. 1 și 2 din Legea nr. 92/1992, republicată, prevede exact ceea ce autorul excepției reproșează că lipsește textului de lege criticat.

Avocatul Poporului consideră că prevederile legale criticate nu încalcă prevederile constituționale invocate. În acest sens arată că tratamentul juridic aplicabil candidaților respinși la examenul de capacitate poate să difere de cel aplicabil candidaților admiși, în virtutea principiului menționat constant în jurisprudența Curții Constituționale, potrivit căruia egalitate nu înseamnă uniformitate; astfel, dacă la situații egale trebuie să corespundă un tratament egal, la situații diferite tratamentul nu poate fi decât diferit. De asemenea, consideră că „posibilitatea de a ataca rezultatele unui examen sau ale unui concurs nu constituie un drept de sine stătător, reglementat ca atare prin lege, ci un mijloc de realizare a dreptului de a ocupa funcția pentru care s-a organizat examenul, prin intermediul procedurilor de examen prevăzute de lege”. În aceste condiții, instanța judecătorească nu ar putea ca, substituindu-se comisiei de examinare, să invalideze rezultatele obținute și să le înlocuiască cu evaluările proprii, deoarece ar exceda atribuțiilor sale.

Președinții celor două Camere ale Parlamentului nu au comunicat punctele lor de vedere asupra excepției de neconstituționalitate ridicate.

CURTEA,

examinând încheierea de sesizare, punctul de vedere al Guvernului și cel al Avocatului Poporului, raportul întocmit în cauză de judecătorul-raportor, concluziile procurorului, dispozițiile legale criticate, raportate la prevederile Constituției, precum și dispozițiile Legii nr. 47/1992, reține următoarele:

Curtea Constituțională a fost legal sesizată și este competentă, potrivit dispozițiilor art. 146 lit. d) din Constituția României, republicată, ale art. 1 alin. (1), ale art. 2, 3, 12 și 23 din Legea nr. 47/1992, republicată, să soluționeze excepția de neconstituționalitate ridicată.

Obiectul excepției de neconstituționalitate îl constituie dispozițiile art. 63 alin. 5 teza a doua din Legea nr. 92/1992 pentru organizarea judecătorească, republicată în Monitorul Oficial al României, Partea I, nr. 259 din 30 septembrie 1997, cu modificările și completările ulterioare, dispoziții care au următoarea redactare: „*Neprezentarea nejustificată la examenul de capacitate, la prima sesiune după încheierea stagiului, sau respingerea candidatului la două sesiuni atrage pierderea calității de judecător sau procuror stagiar.*”

În susținerea neconstituționalității acestui text de lege autorul excepției invocă încălcarea următoarelor prevederi constituționale:

— Art. 16 alin. (1): „*Cetățenii sunt egali în fața legii și a autorităților publice, fără privilegii și fără discriminări.*”;

— Art. 20: „*(1) Dispozițiile constituționale privind drepturile și libertățile cetățenilor vor fi interpretate și aplicate în concordanță cu Declarația Universală a Drepturilor Omului, cu pactele și cu celelalte tratate la care România este parte.*”

„*(2) Dacă există neconcordanțe între pactele și tratatele privitoare la drepturile fundamentale ale omului, la care România este parte, și legile interne, au prioritate reglementările internaționale, cu excepția cazului în care Constituția sau legile interne conțin dispoziții mai favorabile.*”

De asemenea, autorul excepției invocă încălcarea prevederilor art. 6 pct. 1 din Convenția pentru apărarea drepturilor omului și a libertăților fundamentale, potrivit căror: „*Orice persoană are dreptul la judecarea în mod echitabil, în mod public și într-un termen rezonabil a cauzei sale, de către o instanță independentă și imparțială, instituită de lege, care va hotărî fie asupra încălcării drepturilor și obligațiilor sale cu caracter civil, fie asupra temeiniciei oricărei acuzații în materie penală îndreptate împotriva sa. Hotărârea trebuie să fie pronunțată în mod public, dar accesul în sala de ședință poate fi interzis presei și publicului pe întreaga durată a procesului sau a unei părți a acestuia în interesul moralității, al ordinii publice ori al securității naționale într-o societate democratică, atunci când interesele minorilor sau protecția vieții private a părților la proces o impun, sau în măsura considerată absolut necesară de către instanță atunci când, în împrejurări speciale, publicitatea ar fi de natură să aducă atingere intereselor justiției.*”

Critica formulată de autorul excepției are în vedere omisiunea legiuitorului de a reglementa măsuri sau căi de atac pe care candidații declarați respinși la examenul de capacitate să le poată exercita. Astfel, autorul excepției susține că se creează o situație discriminatorie între acești candidați și cei admiși pentru care legea prevede acest drept.

Examinând excepția de neconstituționalitate, Curtea constată că aceste critici nu pot fi reținute. Într-adevăr, textul de lege criticat nu contravine principiului constituțional al egalității în drepturi, întrucât candidații declarați respinși la examenul de capacitate nu se află în aceeași situație juridică cu cei declarați admiși, astfel că tratamentul diferențiat ce li se aplică este justificat în mod obiectiv și rațional.

De asemenea, textul de lege criticat nu contravine nici prevederilor art. 6 pct. 1 din Convenția pentru apărarea drepturilor omului și a libertăților fundamentale, care consacra dreptul la un proces echitabil. Aceste prevederi au în vedere apărarea drepturilor și intereselor legitime, adică a acelor drepturi și interese care sunt reglementate prin lege. Or, așa cum a statuat Curtea Constituțională prin Decizia nr. 340 din 5 decembrie 2002, publicată în Monitorul Oficial al României, Partea I, nr. 140 din 4 martie 2003, „posibilitatea de a ataca rezultatele unui examen

sau ale unui concurs nu constituie un drept de sine stătător, reglementat ca atare prin lege, ci un mijloc de realizare a dreptului de a ocupa funcția pentru care s-a organizat examenul sau concursul, prin intermediul procedurilor de examen sau de concurs pe care legea le reglementează“. Așa fiind, recunoașterea competenței organelor de justiție de a se substitui examinerilor și de a înlocui evaluările făcute de aceștia cu propriile evaluări ar exceda atribuțiilor instanțelor judecătorești.

Pentru considerentele expuse, în temeiul art. 146 lit. d) și al art. 147 alin. (4) din Constituție, republicată, precum și al art. 13 alin. (1) lit. A.c), al art. 23 alin. (1) și (6) și al art. 25 alin. (1) și (3) din Legea nr. 47/1992, republicată,

CURTEA

În numele legii

DECIDE:

Respinge excepția de neconstituționalitate a dispozițiilor art. 63 alin. 5 teza a doua din Legea nr. 92/1992 pentru organizarea judecătorească, republicată, cu modificările și completările ulterioare, excepție ridicată de Albert Ioan Șugaru în Dosarul nr. 24/2002 al Curții Supreme de Justiție.

Definitivă și obligatorie.

Nota:

Medicamentele (D.C.I.) aferente grupei "Leucemii, limfoame si aplazie medulara" sunt listate cu cele corespunzatoare grupei "Tumori maligne" datorita faptului ca un numar mare de produse sunt comune celor doua grupe. Medicamentele vor fi asigurate prin farmaciile apartinand unitatilor sanitare, prin care se deruleaza Programul National de Cancer
